Lions of Alabama

To All Lions:

Do you know what happens to your Lions Clubs dues? How is this money spent? To find out the answers come to the Multiple District Convention at Lakepoint in Eufaula. All business pertaining to Lions of Alabama will be conducted at the business session on Saturday. You may have unanswered questions that you have always been afraid to ask – well, now is the time! Remember, if your club is not represented , you have no vote on the business being conducted, then you have no reason to complain about anything. Voting on issues of the state is very important! Fulfill your duty as a Lion and attend this convention. Not only will business matters be taken care of but we will have training for incoming officers as well. Your club is only as good as its leadership! Take advantage now of being trained and having fun at the same time.

There will be plenty of time to have fun also. Friday will be a day of fun and relaxation! Fishing, golfing, touring ----- you name it and we have it! Where else can you have a wonderful family vacation for \$75.00 plus your room, cottage or cabin stay on a beautiful lake? Bring the family and enjoy the awesome weather we're having in LA (lower Alabama)!

In Lionism,
